

Stay Secure with **CANOPY**

INTRODUCING CANOPY

Our new, online portal

SECURITY

In the wake of the pandemic, teams and communication have gone completely remote which means cyber-attacks have been on the rise. Canopy provides an ease of mind knowing your identity is safe

CONVENIENCE

Canopy is a project management software that allows for secure file transfer, document storage, increased communication with our firm and more.

MOBILITY

Canopy also provides clients with the ability to go mobile due to its cloud and app interfaces. Clients will have 24/7 access to their documents and information on the go.
